

## Employer Goals

- Hire the “Right” employees for the job
- Reduce & remain in control of work comp claims
- Eliminate fraudulent work comp claims
- Increase safety
- Decrease work comp premiums

## Drug Screenings

Unified Therapy Health Services provides both on & off site drug & alcohol screenings. We offer lab tested or rapid specimen collections of several panel choices for the Department of Transportation (DOT) and NON-DOT agencies.

At Unified Therapy we are able to do pre-hire and randomize testing to help keep your employees safe and accidents down.

## Our Services

Let us help reduce your frustrations and cost as an Employer! By utilizing our workforce solutions you will benefit from our objective progress reports, constant communication, quicker recovery times, and fewer Injuries.

## We Provide

1. **Best Practices** - We use modalities of heat and a consistent exercise program in physical therapy rehab
2. **Communication** - You will receive weekly updates on your employee's attendance and bi-weekly physical therapy reports
3. **Efficiency** - We pride ourselves on efficiently returning employees to work
4. **Control** - We help you stay in control of claims, save money and prevent strength related injuries
